DETAILED ACTION

1. Claims 1-28, 33-34, 37-38 and 78 are pending in this application.

Claim Rejections - 35 USC § 112

2. The following is a quotation of the first paragraph of 35 U.S.C. 112:

The specification shall contain a written description of the invention, and of the manner and process of making and using it, in such full, clear, concise, and exact terms as to enable any person skilled in the art to which it pertains, or with which it is most nearly connected, to make and use the same and shall set forth the best mode contemplated by the inventor of carrying out his invention.

3. Claims 1-28, 33-34, 37-38 and 78 are rejected under 35 U.S.C. 112, first paragraph, as failing to comply with the written description requirement. The claim(s) contains subject matter which was not described in the specification in such a way as to reasonably convey to one skilled in the relevant art that the inventor(s), at the time the application was filed, had possession of the claimed invention.

Regarding Claim 1, the negative limitations such as “the output multiplexer not including a tuner” are not disclosed in the specifications, therefore, fails to comply with written description requirements under 35 U.S.C. 112, first paragraph.

Regarding Claims 2-28, 33-34, 37-38 and 78, they are also rejected since they are dependent on Claim 1.

Response to Arguments

4. Applicant's arguments filed 03/31/2009 have been fully considered but they are not persuasive.

Applicant is not responsive to the negative limitations of “the output multiplexer not including a tuner” not disclosed in the specifications as in Claim 1.

Conclusion

5. Claims 1-28, 33-34, 37-38 and 78 are rejected.

Art Unit: 2426

6. **THIS ACTION IS MADE FINAL.** Applicant is reminded of the extension of time policy as set forth in 37 CFR 1.136(a).

A shortened statutory period for reply to this final action is set to expire THREE MONTHS from the mailing date of this action. In the event a first reply is filed within TWO MONTHS of the mailing date of this final action and the advisory action is not mailed until after the end of the THREE-MONTH shortened statutory period, then the shortened statutory period will expire on the date the advisory action is mailed, and any extension fee pursuant to 37 CFR 1.136(a) will be calculated from the mailing date of the advisory action. In no event, however, will the statutory period for reply expire later than SIX MONTHS from the mailing date of this final action.
